Beers Available Year Round

CARLYLE CREAM ALE: A smooth straw colored ale. One of America's two hybrid styles. This beer is fermented cool to produce a crisp, light-bodied clean tasting ale.

BLACK CAT STOUT: This deep ebony American dry style stout has a rich full body & roasty flavor. What it lacks is an acrid harshness usually found in a stout.

BOTTLE ROCKET IPA: An explosion of hops dominate this deep golden ale. Brewed with four varieties of hops, & dry hopped with three other hops, the flavor is powerful. Not a harsh bitterness, but a full hop flavor.

OLD BROWN DOG: Deep red highlights & a smooth flavor make OBD an all-time favorite here at the Portsmouth Brewery. Awarded a silver medal at the 1989 Great American Beer Festival.

SMUTTYNOSE SHOALS PALE ALE: An American pale ale, light amber in color with a pleasant hop flavor & aroma.

SMUTTYNOSE PORTSMOUTH LAGER: A light straw colored Pilsner. Brewed with traditional ingredients including two row malted barley, German malts & Saaz hops. Well balanced & crisp, this golden classic is truly refreshing.
